Still acting as President, Cassidy called for nominations for Secretary. Crista expressed an interest. Being unopposed, Crista accepted the Secretarial responsibilities.

Ashley Leslie, Faculty Advisor reminded everyone that PTK assists with graduation. She requested that anyone present at the meeting that could volunteer their assistance at graduation please sign off on a sheet that went around the room. The list was collected and will be submitted to Dr. Roberts office where decisions will be made about

where PTK members can be of most assistance on the day of the ceremony.

Before the meeting concluded, Mrs. Leslie added that the new officers should feel free to have meetings during the summer if they would like. Rudy and Dakota decided they would most likely attempt to have meetings and there would definitely be a couple bake sales as well. Bake sales should be very profitable during the summer as the Snack Bar is closed. As always, profits will be donated to St. Judes.
